

Physician Heal Thyself Retreats presents:

Working in Harmony with the Four Elements

An Intensive Energy Medicine Workshop

With

Rosalyn Bruyere

WORKSHOP DESCRIPTION:

Nowhere in the world does one feel closer to the primal energies of Earth, Air, Fire and Water than on the Big Island of Hawaii. We cannot, in fact, think of anywhere else where it is easier to tune into, feel, and channel the dynamism of each of these forces. Every day of this class we will explore a different element and a different energetic, reconciling modern healing methods with ancient knowledge and wisdom while learning to run energy in tune with each element for the benefit of our clients. Come join us for what we believe will be a unique learning opportunity!

Rosalyn Bruyere is an internationally acclaimed healer and teacher who has participated in energy medicine research and trained numerous physicians, nurses, and people from all walks of life. She is dedicated to integrating the understanding and practice of energy medicine into our current medical systems. Her combined scientific and spiritual focus influences her teaching and serves to bridge the gap between concept and the reality of practicing energy medicine today.
